TROPICO INTER-URBAN SENTINEL

OFFICIAL PAPER OF THE CITY
Subscription, \$1.00 per year.

As will be observed by reference to the report of the last Council meeting, a resolution preliminary to the calling of a bond election to acquire the water plant was presented by City Attorney Shaw and adopted by vote of the five members present. The text of the resolution will be found on another page. It will be a disappointment to many residents to learn that the Council plans to postpone the calling of the election for thirty days, not because that interval is required by law, but because it has been recommended as advisable. The need for irrigation water is urgent, and residents who wish to cultivate any considerable amount of ground are very impatient over any seeming policy of delay on the part of the trustees in a matter so vital. While action is pending, water which ranchers and gardeners would gladly use if it could be had at a price they could afford to pay, is running to waste down the creek. True the Water Company has granted an irrigation rate of 5c per hundred feet, which will afford a measure of relief for which citizens will be thankful, but it is not enough. That figure is declared to be more than professional market gardeners can possibly pay and have any margin of profit. They express the belief that if the city would speedily acquire the system, it could sell its surplus over and above domestic consumption at figures which would encourage the cultivation of large amounts of land and materially aid the production of food in this county. Perhaps if those who are vitally interested in the matter will attend the next meeting of the

Council, its members can be persuaded to call the election now. At best it will take several weeks to put Tropico in possession of the plant if the city votes the bonds, and we cannot afford unnecessary delay.

OFF TO THE WAR

The Yeoman hall was, on last Saturday evening, the scene of a colorful and attractive affair given by seventy-five of the Yeoman folk and the members of the Tropico Band in honor of Mr. Levert Goddard, upon the eve of his departure for service in the navy.

The hall and banquet room were tastefully decorated with streamers of the national colors and by American flags. The early part of the evening was given over to dancing, after which refreshments were served.

There are many of us in Tropico who have watched Levert grow from a small boy into splendid, upstanding manhood, and when it came to the leave-taking the other evening it was as though an invisible hand were clutching at the throat. But from all the number who bade him God-speed and a safe return there was not one word of protest at his going. We knew that the call which had taken him away, was noble, righteous and insistent.

Each of America's great wars has blazed the trail of democracy a little further. Indefinite as have been the issues heretofore in the present conflict, the President's resounding call to arms has clarified them and crystallized them into a concrete form. We stand with drawn sword, the champion of self-ruling people throughout all the world.

There are many Levert Goddards. They are flocking to the colors, thousand upon thousand. Strength to their arms, courage to their hearts! We who are destined to perform the more irksome duty of remaining behind—do we bid them go forth to fight and die for their country? Rather, we bid them go fight and conquer, and, having conquered, return to the peaceful, constructive pursuits of life in that happy, dawning day when the world shall have been made, in truth, safe for democracy.

THURSDAY AFTERNOON CLUB
ELECTS OFFICERS

Great bunches of roses beautified and made fragrant the audience chamber of the City Hall when members of the Thursday Club gathered there for their regular meeting last Thursday.

Several items of business were transacted before the program began.

On the recommendation of the Executive Board, the club voted to dispense with the annual luncheon at the close of the year and substitute the usual light refreshments.

Several communications were read by the Corresponding Secretary, one from the Glendale Red Cross organization inviting the co-operation of Tropico club women.

The general circular sent to all federated clubs for their indorsement embodying pledges to be made by California women to contribute in all possible ways to war needs, particularly in the practice of economy and avoidance of waste of food, was read and Mrs. Kimberly stated that it had been adopted by the State Federation in session at Pasadena.

Excellent reports of the Wednesday and the Thursday morning programs of the State Meeting were made by Mrs. S. E. Brown and Mrs. Edwin Virden.

The speaker of the afternoon was Miss Munn of the Woman's City Club who is visiting all the clubs of the County in the promotion of the Woman's City Club extension work. She wasted no time on oratorical frills but explained clearly the purpose of the Woman's City Club of Los Angeles and its wonderful growth to a membership of 1300. She dwelt on the political responsibilities of women and the need which this club had met of a non-partisan organization where women have an opportunity to see and hear candidates for office who seek their votes, and to make up their minds individually without being pledged to anything or anybody. It includes in its membership many women of the suburbs and the need for kindred organizations in the smaller towns which would be affiliated with the Los Angeles club but which would provide forums in which local and national problems could be debated, has developed. "Such a for-

um," said she, "would provide you with a place where your candidates for office could present themselves and their platforms before you. It involves no financial obligation. As soon as a resolution of affiliation is passed by your local club you will receive a card entitling you to a year's membership in the Woman's City Club. One of your number can be delegated to represent your club at the Woman's City Club and report at your next meeting so you will be kept in touch with the parent organization. If you desire them, you will be furnished with syllabi on various matters on which women desire information. These will cost one cent each. One is on "The Unprotected Girl," another covers "Voting and Registration." The City Club will also be prepared to send speakers whenever requested. The whole idea is to disseminate this information, with the least possible expense and machinery. Judge Works has written a syllabus for us on the Courts, on which most of us are woefully ignorant, Dr. Ernest Hoag has written one on "The Defective Child," Judge Shontz is preparing one on "The Juvenile Court." June 4th we are to have the suburban representatives tell the Woman's City Club how they are going to handle this idea in their communities." Miss Munn closed with a request that the club take some action in regard to the matter.

Tropico Playground Ass'n., ANNOUNCES ITS Third Annual Celebration AND Fancy Dress Carnival AT THE Playgrounds, Sat'rday, May 12 Afternoon-----Evening Dancing- Confetti-Battles- Midway- Drills- Sports- etc. Cafeteria Dinner at 5 P. M.

Mrs. Charles Barker warmly indorsed the idea expressing the opinion that a forum of that kind where our citizens, both men and women, could come together would be of the greatest value to Tropico. Others sustained Mrs. Barker's indorsement. On motion of Mrs. C. H. Woolsey the club instructed its president to appoint a Woman's City Club committee to arrange for the carrying out of the plan, and Mrs. Amy Isabella Peabody, on motion of Mrs. Leigh Bancroft, was nominated to represent the club at the next meeting of the Woman's City Club.

Thursday was also election day. The nominating committee made its report and on motion of Mrs. Woolsey the secretary was instructed to cast the ballot of the club for the list of officers proposed by the committee as follows:

President, Mrs. Wesley Bullis; first vice president, Mrs. Hal Davenport; second vice president, Mrs. Charles Barker; recording secretary, Miss Gertrude Gibbs; corresponding secretary, Mrs. J. Herbert Smith; Treasurer, Miss Ida Myers; Trustees, Mesdames H. V. Findley, E. V. Bacon and W. C. Mabry.

Hostesses of the day were Mesdames H. W. Fleming, Hal Davenport, A. Fleury and H. V. Findley. At the close of the program a delicious fruit punch and wafers were served.

SCHOOL MEETING

The Board of School Trustees of Tropico met for reorganization Saturday evening at the Cerritos street school. Mr. Clyde Carmack was elected president and Mrs. Charles Barker succeeded herself as clerk. It was a public meeting and a goodly number of citizens attended. Considerable discussion was had relative to the principalship but no action was taken and the Board agreed to hold a meeting May 16, at which it would receive for consideration any written complaints or charge which any one wished to submit. The next regular meeting will be held June 2nd in the Cerritos school at 8 p. m.

LOCAL MEDICAL ASSOCIATION

Tuesday evening physicians of Tropico and Glendale and a few guests from Los Angeles were entertained at dinner at the Relax Home and Hospital on San Fernando Boulevard by Doctor Baker. Covers were laid for eighteen and sweet peas were employed in a beautiful color scheme of floral decoration. The dinner was given for the purpose of forming a local medical association which will meet monthly for social intercourse and to discuss matters of professional interest.

IRRIGATION RATES

The Water Company has made a special irrigation rate to Tropico consumers of 5c per hundred feet, to be measured by extra meters which the Company will install free of cost, charging the consumer only the cost of making connections. The present domestic rate for all water in excess of the 75c minimum is 10c per hundred feet.

Messrs. Alexander and Warner of Los Angeles have leased the garage formerly used by Mr. Werve and are prepared to make all kinds of auto repairs and tire repairs, and will handle accessories and a full line of gasoline, oils and greases. They invite Tropico auto owners to test their work and promise to give their patrons a square deal. Mr. Warner has a wife and baby and expects to reside in Tropico.

BIG P. T. A. MEETING

Last Friday the teachers of the Ceritos school entertained the P. T. A. The dainty refreshments which they provided were daintily served in the library which was converted into a rose garden. There were bushels of roses, many of them the lovely Cecil Brunners which fairly weighted the air with their fragrance. The punch which was delicious, also had a rosy hue, and the hospitality of the teachers did them credit.

In the school auditorium where members assembled, the election of officers was the first business transacted. Interest centered in the presidency for which there were three candidates, Mrs. Ella Richardson, Mrs. Amy Isabella Peabody and Mrs. H. W. Fleming. The situation was complicated by the fact that Mrs. Richardson, though a former resident of Tropico and still interested in our city is a citizen of Glendale. For that reason, in the eyes of some of the voters, she was not regarded as eligible to the presidency of a Tropico P. T. A. Mrs. Fleming was not present and had not been consulted in regard to the use of her name. Mrs. Peabody had not sought the office but had consented to run at the solicitation of a nominating committee who waited upon her. The ballot yielded twenty votes for Mrs. Richardson, eleven for Mrs. Peabody and eight for Mrs. Fleming. Mrs. Gaarder was chosen first vice president, Mrs. Gregory second vice; Mrs. Meagher recording secretary, Miss Lofthouse corresponding secretary, Mrs. Glassburn treasurer.

The next ballot was on the possession of the picture for the coming month, the room in which Mrs. Merritt Ludden has been substituting securing the treasured prize.

Mrs. Kate F. M. Cleaves of Hollywood opened the program with a group of child life recitations including the boy who was "Afraid o' dyin'", and "Rollo Learning How Not To." It was an artistic performance, and Mrs. Cleaves' simple, natural manner was most refreshing in contrast with the mannerisms of many dramatic readers.

There were several distinguished visitors from Los Angeles who addressed the meeting. The first to speak was Mrs. Davis, prominent in

the P. T. A. work of that city. The P. T. A. as a harmonizing medium to bring parents, teachers and children together she considers almost unlimited in its scope for good and declared that nowhere could its usefulness be demonstrated to better advantage than in the rural communities where in many cases it becomes a social center. She told how the work has broadened in the care it exercises for the physical welfare of school children of Los Angeles where 12,000 dental treatments have been given, 260 pairs of glasses furnished, and five day nurseries established in order that the little sister mothers may be liberated for schooling.

Mrs. L. P. Boyce, recording secretary of the L. A. P. T. A., was next summoned to the platform. Child welfare, she said, begins in the home but does not stop there. It overflows into the school, into the state and finally into our national affairs.

Mrs. Harry Trowbridge, first vice president of the Los Angeles County Federation of P. T. A.'s announced that the federation membership is now 8500, that it is the largest in the state and that California is ahead of every other state in P. T. A. organization. She spoke of the evolution of the Association's work and referred to the Juvenile Court work.

Mrs. Hartley Shaw, as chairman of the program committee announced that a speaker could be secured for the June meeting who would talk on "Immigration Work Among Foreign Girls."

Mrs. Ella Richardson made a brief speech of acceptance of the presidency in which she declared "Co-operation" to be the keynote of P. T. A. work and expressed the hope that the twenty committees of the association would work together heartily and support her loyally.

Mrs. Peabody congratulated the association on securing so efficient a president and explained her own candidacy.

It was a large meeting which exceeded the seating capacity of the room in which it was held, and in point of interest it was one of the most successful gatherings the association has enjoyed.

Mr. Robert Morton, the photographer of 608 Brand Boulevard, is getting a big patronage throughout the San Fernando Valley, particularly in kodak work. He has hustled for business, is a hard worker and deserves good fortune. The attention of readers is called to his advertisements in this issue.

LOCAL HAPPENINGS

Mrs. Jim Brown of Glendale avenue has gone to Parsons, Kansas, to visit her grandmother for a month.

Mr. E. B. Moore of Blanche avenue left Saturday to spend the week end in Ventura county trout fishing.

Mrs. G. M. Harrison and children of Los Angeles were dinner guests of Mrs. Eustace B. Moore of Blanche avenue last Friday.

Misses Churchill and Moulton of Blanche avenue motored to Santa Barbara last week with guests from Massachusetts whom they have conducted on several sight seeing trips.

Mr. F. A. Stroup of Hollywood, who was formerly in the real estate business in Tropic, was a visitor in our city last Thursday. He looks happy and prosperous and is optimistic as ever about California. He now has an office in Los Angeles.

Dr. J. D. Cammer and wife who have been guests of Mr. and Mrs. H. W. Augustus of Tropic avenue, left last Tuesday by the Salt Lake route for Kinmundy, Illinois. Their daughter-in-law, Mrs. C. B. Cammer left Thursday for Seattle, Washington, to meet her husband, a naval officer who is on the battleship Buffalo.

Miss Adda Burch of Perlita avenue was sent as a delegate to Whittier last week and reported the big W. C. T. U. convention held there for the Whittier Daily News. She was tendered a vote of thanks by the Convention and was requested to report for the "White Ribbon," the State Temperance organ.

Mr. H. W. Fleming of Boynton street had a bad fright last Friday when her little four-year-old Peggy received a hard blow on the nose in the course of play which it was at first thought had broken it. The child's nose bled profusely but after that had subsided it was found that no very serious damage had been sustained.

Mrs. J. H. Lady, Mrs. Bessie Hagens, Mrs. Mourer, and Mrs. Olin Dunham of Los Angeles were luncheon guests Wednesday of Mrs. J. A. Cully of Perlita avenue.

Miss Anna E. Cutting, sister of Harry Cutting, came from Long Beach with her brother last Monday. She expects to make her home here and is at present a guest in the home of her uncle, E. R. Best on Fernando Court.

A card from Miss Gorrell brings word that she and her father who are enroute for Flora, Illinois, visited Mills Valley and the Muir Woods during their brief stop in San Francisco. They were delighted with the trip.

Mrs. W. Wieblitz who is very ill of intestinal trouble at the Relax Home and Hospital on San Fernando Boulevard, was pronounced somewhat better Tuesday noon, and hospital attendants entertained hopes of her recovery.

Mrs. E. D. Welden, sister of Mr. Hal Davenport, has been spending the past week at the Davenport home on North Glendale avenue.

Previous to her departure for Parsons, Kansas, Los Angeles friends of Mrs. J. W. Brown gave her a little surprise party at her home at 217 North Glendale avenue.

Mrs. Goddard and her son and daughter, Levert and Gladys Goddard, also Berna and Geneva Martin, were dinner guests of Mr. and Mrs. Robert Danner last Sunday.

The Kensington Club met at the home of Mrs. Glenn Craig Wednesday afternoon for a "swap party" which yielded a lot of amusement to the guests.

Mrs. G. N. Lunn and Mr. Allen Davenport on Labor Day motored to Irwindale where Mr. Lunn owns an orange ranch. She has been personally directing much of the ranch work since Mr. Lunn's health became so precarious.

Members of the Municipal Playground Committee met at the City Hall Monday evening to perfect final arrangements for the Carnival to be held Saturday, the 12th. Reports of sub committees made it evident that it will be the biggest jollification Tropic has had in many years, and it will probably attract many visitors from abroad as it is being extensively advertised. Admission will be free.

Mr. Dan Campbell, president of the First National Bank of Tropic, is critically ill at the home of his brother, Dr. Matthew Campbell, in Los Angeles. Mr. Campbell has not been well since he got up from an attack of gripe about two weeks ago. Last week an abscess developed on the mastoid gland causing intense suffering, and Saturday he was taken to Los Angeles where a operation was performed which has brought him partial relief, but he is a very sick man.

Mrs. Charlotte Hankey of Perlita avenue left Sunday for Akron, Ohio, where she will make an extended visit. She does not expect to return until the early fall.

Mr. and Mrs. H. W. Anderson, Mrs. Nellie Downs, of Hollywood, and Mrs. J. W. Downs of Roosevelt avenue, Los Angeles, were guests last week in the home of Mr. Foster of Atwater avenue.

WEDDING ANNIVERSARY

Mr. and Mrs. J. F. Proctor of Hotel Tropicco, celebrated last Sunday with a family dinner the 44th anniversary of their marriage and the 62nd birthday of Mrs. Proctor. The guest list included Mr. and Mrs. Jim Proctor of Tropicco avenue, and Messrs. George and Earl Proctor of Los Angeles. Mr. and Mrs. Charles Reifenberick of Compton, and Madame Riefenberick, now a resident of Tropicco, called in the afternoon to tender their congratulations. Mrs. Proctor is promising to develop such prodigies of muscle and general physical endurance in the coming six years that when 1923 arrives she will be able to mine the precious metal with which to celebrate her golden wedding.

ROHARO DOINGS

The regular social meeting of the Roharo Club, which now numbers 46 members, was held Wednesday evening last week at 235 Mira Loma avenue, the hosts and hostesses of the evening being: Misses Rose Virden and Blanche Shea, and Messrs. Dwight Stephenson, Robert Oliver and Harry Hayward. About thirty people were present and ten new members admitted. Dancing was the chief entertainment of the evening and later a tamale supper was served. The new members welcomed into the club were: Misses Dorothy Hobbs, Pauline Hamilton, Edna Brown, Amy Miller, Gladys Hamilton, Josephine Starr, and Olive Moffat; Messrs. Verne Starr, Wayne Smith and Jamie Shea.

Wednesday evening of the present week the club gave a Cabaret Dance in Yeomen Hall, which was beautifully decorated with flags and flowers, chiefly roses. The walls were lined with tables where wicked-looking drinks of innocent composition were served to thirsty dancers. The dance program was varied by a few musical numbers furnished by some Los Angeles entertainers.

It was quite a "swell" affair for Tropic, many of the men being in evening clothes and the girls in pretty party costumes.

SERIOUS ACCIDENT

A most distressing accident happened last Friday at the Richardson crossing where George Stadler was about to take the car. The creel on the car broke and struck him, fracturing his skull. He was taken to Thornycroft Hospital where he received medical and surgical attention. Mr. Stadler was about to leave for San Francisco. He is a young man who has many friends here who are distressed over the misfortune which has befallen him. Hospital attendants report that he is now conscious and is doing as well as could be expected; they have hopes of his recovery.

Madame Wilbur, who has quite an acquaintance in Tropic, particularly among members of the Pythian Sisters has begun advertising in the Sentinel and will be glad to meet old and new friends at her Los Angeles place of business.

PROCEEDINGS OF BOARD OF TRUSTEES

The City Trustees met as usual Tuesday evening with all members present save Trustee Alspach.

Communications

Communications read by the City Clerk included one from the Water Company agreeing to make required street repairs at Green and Hill streets, except rolling which it would prefer to have done by Contractor Schelling.

A letter from the Pacific Light and Power Company transmitting statement of additions and betterments for the month of March, was also read.

Trespass

A communication from residents of Palmer avenue complaining of trespass by pedestrians on a parkway they were trying to beautify, also on a lot planted to vegetables, was referred to members of the board who stated that relief from such annoyance could always be had by lodging complaint with Marshal Gould who can enforce city ordinance against such offenders.

Trustee Peters reported the receipt from the P. E. Railway of a written permit to move the Tropicco avenue Shelter Station.

City Attorney Reports

Attorney Shaw reported he had advised the National Protective Association in reply to the letter it had addressed the Board, that the city would not pay the claim against Wasson under the Baer judgment for damages.

He also submitted the resolution prepared by instruction of the Board "determining that the public interest and necessity demand the acquisition by the City of Tropicco of a certain revenue producing municipal improvement etc." On motion of Henry the resolution was passed with the understanding that no election would be called for thirty days.

Columbus Avenue

Relative to the temporary improvement of Columbus avenue, City Engineer Wattles recommended that the present improvement be limited to such work as the Street Superintendent can perform with the minimum of expense and that after the period of protest has expired the city pro-

ceed to condemn, making a new assessment district. Moved by Henry that the Superintendent of Streets be instructed to make such repairs on Columbus avenue between Tenth and Park as may be necessary to make it passable. Carried.

Hill Street Repairs

The City Engineer also reported negotiations with Mr. Schelling for the repairs on Hill street discussed at the last meeting. He expressed the opinion that they could be satisfactorily effected by the co-operation of the Street Department and Mr. Schelling and was instructed to proceed with the negotiations.

Relative to the "Danger" sign ordered placed at Acacia and Brand Boulevard, Marshal Gould stated he was preparing the sign, but had not been able to get the required disc. Trustee Veselich then volunteered to obtain a supply.

The City Clerk reported letters written to the representatives of estates on Columbus avenue relative to the removal of unsafe buildings damaged by fire, and no replies as yet.

Marshal Gould reported unsuccessful efforts to locate parties who had stretched barbed wire fencing next the sidewalk on Damascus street, but promised to continue his investigations.

Ferocious Dogs

Trustee Peters reported a complaint of ferocious dogs at a Blanche avenue residence which have intimidated meter readers, one of whom had been bitten. Mr. Gould stated if the sufferer would turn in to his office a written complaint, he could take action under a county ordinance.

New Water Rates

Trustee Veselich reported new irrigation rates granted by the Water Company of 5c per hundred feet dent can perform with the minimum straight, to be measured by extra

April Reports

The report of the City Clerk of receipts and disbursements during April of general fund showed: Balance April 1, \$4786.16. Receipts: from Recorder \$25, Bldg. Inspector \$43.38, License col. \$89.25, City Clerk \$2.00; total receipts \$159.64.

Disbursements: salaries \$401.66, Trustees \$14.75, Clerk \$15.80, Treasurer \$40.00, Recorder \$4.58, Marshal \$10.40, Fire Dept. \$12.35, City Hall \$18.59, Bldg. Inspection \$40.00, Garbage col. \$40.50, pub. ordinances \$4.50, Fire Hydrant water \$76.50, street lighting \$209.59, street care \$22.50, street repair \$9.00; total disbursements \$920.72; balance on hand April 30th \$4025.08.

The Treasurer's monthly report of receipts and disbursements of General Fund corresponded with that of the City Clerk and showed balance in Library Fund April 30th \$437.01; balance in Bond Fund \$790.58, balance in Special Guaranty Fund \$200; total balance in all funds \$5457.67.

In response to inquiry by Trustee Veselich the City Clerk stated there is due Tropicco in taxes not yet collected and turned over to the city, approximately \$5000.

Demands

Were approved and ordered paid as follows: Fairfield \$2.50, Water Dept. \$77.65, Newton Elec. Co., \$27.28, Towel Supply \$1.50.

The Board then adjourned.

Wabbly Pendulums.

The uneven swinging of clock pendulums is generally due not to incorrect balancing of the pendulum weight, but to a tiny kink in the feather spring from which the pendulum is suspended. If the face of the clock is taken off the feather spring may be twisted slightly in the right direction with a pair of tweezers or small pincers, says a contributor to Popular Science Monthly. This will correct the unsightly wobble and help to maintain the perfect balance.

Saturday should be a red letter day in Tropic, because that is the day which has been set apart for the great carnival on the Municipal Playground. Everything calculated to meet the varied tastes of a community has been provided and every citizen can attend with the assurance of getting about six times as much in the way of entertainment as a like investment usually purchases. It will be a bargain joyfest.

First and foremost there will be the entertainment prepared by the Cerritos school pupils which they have been rehearsing for weeks and which is sure to be good. That will open the carnival at 2 o'clock. Then there will be a baby parade which will be **some show**. There will be a beautiful flag drill by the Boy Scouts, and in the evening the drill by the Knights and Ladies of Security. Another afternoon event will be a concert by the Girl's Glee Club of Glendale High in Japanese costume. Interspersed throughout the afternoon will be field sports and contests. At five o'clock will be served a cafeteria supper which will be a feed of feeds and yet be in harmony with the "economy" wave. Mrs. Pearl Keller and pupils will give a brief but fancy program at 7:15; at 7:30 there will be a band concert and at 8 o'clock the fancy dress ball will begin on the tennis court, its program including confetti battles and other joyous stunts.

Accompanying all this will be the delights of the "Midway" provided by the booths which will surround the scene of festivities offering games, shows, and refreshments galore.

Little Miss Theda Furey has been elected Queen of the Carnival and Miss Ida Wilbur will be her Maid of Honor. The committee reports that the queen contest yielded \$56.08.

ACACIA MOTHERS CLUB

Echoes of the May Day meeting of the Mother's Club are still reverberating through Tropic. It is such a friendly, social, harmonious center of neighborliness that all its affairs are tremendous successes. At the meeting referred to it elected the following slate of officers: Mrs. P. J. Prialx, president; Mrs. John Fox, vice president; Miss Gladys Hamilton, secretary; Mrs. Glassburn, treasurer.

Services Sunday, 11 a. m., Sunday School 9:30 a. m., Wednesday evening Testimony Meeting at 8. Reading Room 415½ So. Brand Blvd., open daily except Sundays and holidays from 12 m. to 4 p. m. The lesson sermon is from the Christian Science Quarterly of Bible Lessons.

Subject May 13, "Adam and Fallen Man."

The Clarke-Woods Tent Meetings, corner Brand and Tropic, are going with a big swing. Old residents said that the crowd Sunday evening was the biggest they had ever seen out to any religious service in Tropic.

A great congregation is expected Friday evening when Mr. Clarke is to preach his sermon on the Dance and other amusements of the day.

Meetings are held every evening at 7:30. The singing of the great chorus led by Prof. Woods has been a great attraction. A big mass meeting will be held in the tent next Sunday afternoon at 2:30.

MERCHANT'S WIFE ADVISES TROPICO WOMEN

"I had stomach trouble so bad I could eat nothing but toast, fruit and hot water. Everything else soured and formed gas. Dieting did no good. I was miserable until I tried buckthorn bark, glycerine, etc., as mixed in Adler-ka. ONE SPOONFUL benefited me INSTANTLY." Because Adler-ka empties BOTH large and small intestines it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICKEST action of anything we ever sold. Edwin Virden.

In connection with other suggestions for food production, Dean Thomas F. Hunt of the University of California College of Agriculture says:

"This means chickens and possibly Belgian hares in the backyard, and the raising of something to feed them, in addition to the table waste. Do not overdo it. Six hens to the family will generally be all that is desirable; in some cases three would

be better. Potatoes may be cheap next winter, but poultry and eggs will not be."

BAND CONCERT

The following program has been arranged for the concert which will be given by the Tropic Concert Band in connection with the Carnival next Saturday evening, at 7:15 o'clock:

GOSPEL MEETINGS

An audience estimated at 400 souls filled the gospel tent on Brand Boulevard last Sunday night for the service conducted by Messrs. Clarke and Woods. Evangelistic workers report that interest in the meetings is increasing and that one conversion has been recorded. Services will continue for about two weeks longer. The theme Friday night will be "Amusements" and Mr. Clarke has challenged any one who will to debate the question with him.

RESOLUTION NUMBER 239

A RESOLUTION determining that the public interest and necessity demand the acquisition by the City of Tropic of a certain revenue producing municipal improvement, to-wit: A System of Water Works, and that the cost thereof is and will be too great to be paid out of the ordinary annual income and revenue of said City.

The Board of Trustees of the City of Tropic do resolve as follows:

SECTION 1. That the public interest and necessity demand the acquisition by the City of Tropic of the following revenue producing municipal improvement, to-wit: A system of Water Works for the purpose of supplying water for the use of said City and its inhabitants, and for irrigating purposes therein, including the acquisition of lands, water rights, rights-of-way, reservoirs, pipe lines, conduits, machinery, apparatus, and other property and works necessary therefor; and that said municipal improvement is necessary and convenient to carry out the objects, purposes and powers of said City.

SECTION 2. That the estimated cost of said municipal improvement is the sum of \$55,000.00, and that the said cost of said improvement is and will be too great to be paid out of the ordinary annual income and revenue of said City.

SECTION 3. The City Clerk shall certify to the passage of this resolution by a vote of two-thirds of all the members of said Board, and shall cause same to be published once in the Tropic Interurban Sentinel, a weekly newspaper of general circulation published and circulated in said City.

Passed by said Board of Trustees and approved this 8th day of May, 1917.

FRANK E. PETERS,

President of the Board of Trustees.

I hereby certify that the whole number of members of the Board of Trustees of the City of Tropic is five, and that the foregoing resolution was duly passed by said Board by the vote of two-thirds of its members at a regular meeting thereof held on the 8th day of May, 1917, by the following vote:

AYES: Trustees Henry, Seal, Veselich and Peters.

NOES: None.

ABSENT: Trustee Alspach.

(Seal) MARGARET R. COLEMAN,
City Clerk of the City of Tropic.

Mr. Grommet of the Modern Business College in the Metropolitan Block, Los Angeles, states that Civil Service examinations are being held much more frequently than in the past and that there is a great and increasing demand for stenographers and bookkeepers, particularly for government positions. He has had to inaugurate Civil Service coaching classes.
